- All is well, but officials are needed.
- Cassandra Olson will be there both days for registration and post-race duties.
- Sarah Hoots will score Sunday.
- Mike Ross will referee.
- Darrel Ludwig is responsible for getting the club truck on site.

### **Danville, Illinois — Bill Pavlick**

- Bill Pavlick, Chris Fairchild Gene Schertz and Michael Mackey visited the site, sponsors and other Danville dignitaries March 12, 2022 and were met with a very warm welcome and enthusiasm to put racing back on Lake Vermillion.
- This is a sponsored race (ambulance, toilet facilities and clubhouse provided).
- This is a stock, modified and junior race.
- Entry fees have not yet been set, but they will be "ultra-low."
- We want to be fully set up Friday and attempt to have some test time available.

### **Rock Falls, Illinois — Bill Pavlick**

- All is well; nothing new to report.
- Race date is Aug. 6-7 with customary set up, racing school and complimentary testing Friday, Aug. 5.

### **Rochelle, Illinois — Holden Mackey**

- Holden and Michael attended two Flagg Township Park District meetings to reinvigorate interest in racing on Lake Sule.
- We were not given permission, but we were not given a hard "no" either as in the past.

- Concerns from the park board include turbidity and erosion racing may cause to the lake and surrounding shoreline respectively.
- Holden is going to reach out again to the park board to attempt to set up a date and time for the park board to come to the lake and see our boats (one single trailer and only one or two boats) and the minimal impact racing has on both concerns.
- Holden is also going to contact President Fairchild and APBA HQ to secure the EPA data and studies that are on file to provide to the park board.

11:12 a.m. Motion to adjourn. Moved to accept; seconded; vote was unanimous; meeting was adjourned. Next meeting: TBA.
